The Elements of Art The: المادة

الموضوع: Point

الأسبوع: الأول

Piont:--

We don't mean the geometrical point, that can be produced by intersection of two lines, but the point that Artist selects which has shape ,circle or square , wide or narrow ,rough or smooth, warm or colors ,strong or weak, dark or light and so on. Points are harmonious or contrasting if they have harmonious or contrasting colors, shapes, size or textures-Piont:-We don't mean the geometrical point, that can be produced by intersection of two lines, but the point that Artist selects which has shape ,circle or square , wide or narrow ,rough or smooth, warm or colors ,strong or weak, dark or light and so on. Points are harmonious or ..contrasting if they have harmonious or contrasting colors, shapes, size or textures
