

College of Administration & Economics

2010

Deanery

**Assist. Prof Dr. Mijbil R. Hassoon Marjan
Dean**

**Prof. Dr. Ahmad Kd. Al-Huseiny
Vice-Dean of Academic Affairs**

**Mr. Aqeel Qasim Hashim
Responsible of Registration Office**

Introduction:

Our college attends to go along with the scientific developments in the world through developing the teaching methods in general and qualifying the graduates in particular. It was established in 2005

Objectives:

Our college aims at preparing and creating a staff specialized in administrative, financial and pecuniary science to have a role in different fields of administration and finance in the industrial and service institutions through providing them with technological information in different fields of production, finance, banks and computer.

Future Visions and Plans :

- 1- Preparing academic staff with high scientific level.
- 2- Reinforcing social communication in different aspects.
- 3- Creating awareness of our national culture and its historical role in human and world civilization.
- 4- Providing the graduates with the theoretical bases of administrative and economic science and their practical applications .
- 5- Preparing the scientific researchers to be able of enhancing the process of scientific research in our country
- 6- Preparing the good students who are well qualified to have seats in higher studies to contribute in the administrative and economic science in the country.

Registration:

This section is devoted to take care of students' affairs. It is one of the main sections in the college as it directly touches the students and expresses their needs.

The workers in this section achieve the following duties:

- 1- Preparing study halls.
- 2- Settling up all devices with their security systems.
- 3- Buildings preservation and providing them with fire extinguisher to protect them.
