Our conference originated as an offshoot of the EUCOR university research system (<http://www.eucor-uni.org>) and follows the multidisciplinary TED format (<http://www.ted.com/>).

In order for IJAS to remain in compliance with Austria's immigration laws, it is imperative that you enter Austria in an appropriate non-immigration status. For example, if you're a citizen of Australia, Canada, the EU or the USA, you do not need a visa. However, if you need a visa to enter Austria, please present this letter at an Austrian Embassy or Consulate with your non-immigrant visa application and passport.

For your submission to appear in one of the conference's ISSN-numbered CD-ROMs, please follow the format recommended in the instructions in the conference website's *Submit Your Research* section. There is no limit on the number of pages. You may email your properly formatted abstract/paper directly to IJAS's Conferences Department at conference@internationaljournal.org. Please make sure that it is in Microsoft Word and that the above "Research ID" is included all your future emails concerning the conference.

The registration fee does not include food and lodging.

We look forward to your participation, and we hope that you will find our program fully rewarding.
